Subject: ePad Update Instructions

Remove any existing ePad software

Download and install this (run as admin):

www.epadlink.com/SigCaptureWeb/SigCaptureWeb.exe

Download and install this (run as admin): <http://www.epadlink.com/universal-installer.html>

Open this link inside of Chrome:

<https://chrome.google.com/webstore/detail/epadlink-sigcaptureweb-sd/idldbjenlmipmpigmfamdlfifkkeepc> and add the extension to chrome

For MS Edge go to this link (same and yes choose Add to Chrome):

<https://chrome.google.com/webstore/detail/epadlink-sigcaptureweb-sd/idldbjenlmipmpigmfamdlfifkkeepc>

Test if working ok here:
